To protest the genital cutting of children, join us for the **5th annual Michigan March for Integrity**. At this peaceful, family-friendly event, we will be demanding professional integrity from doctors and genital integrity for all children.

Please RSVP for **Saturday, September 10th, 2016** on our Facebook event page, [facebook.com/NOCIRCofMI/events](https://www.facebook.com/NOCIRCofMI/events). We will be assembling at 11:30 am at Memorial Park on Woodward Ave N of 13 Mile Rd.

The March will begin at noon to *Royal Oak Beaumont Hospital* on 13 Mile Rd near Woodward Ave, 3601 W. 13 Mile Rd, Royal Oak 48073. Please wear **RED CLOTHES** if possible to aid in our visibility on the busy street!

Marching will continue until 3:00 pm. Boys and girls need to be protected from unnecessary surgeries having harmful, lifelong consequences. *Even if you are only able to spare 30 minutes of your time, it will be well spent!* Bring your children too!

Every year in Michigan 51,000 baby boys have the most sensitive part of their body removed without their consent, and often without effective anesthesia. This tissue would have provided lifelong protective and sexual functions that are irreplaceable.

Circumcision is the only routine surgery performed without a diagnosis and the only routine surgery claimed to prevent disease.
