

New Perspectives on

CIRCUMCISION

The benefits and risks of learning the uncovered truth about history's most unusual surgery—and why it really matters.

Sunday, December 7th, 2014 1:00 to 4:30 pm

Michigan League, Michigan Room, 2nd Floor
911 N. University Ave, Ann Arbor 48109

sponsored by:

A free lecture open to the public
and featuring these expert speakers:

Robert Van Howe, MD, MS, FAAP, Professor and Interim Chairman of Pediatrics at the Central Michigan University College of Medicine. He has lectured and been published internationally on the topic of circumcision and has been a consultant to the American Academy of Pediatrics, the Centers for Disease Control and Prevention, and the World Health Organization.

John V. Geisheker, JD, LL.M., has practiced medico-legal law as an arbitrator, mediator, litigator, and law lecturer for over 30 years. He is the full-time Director and General Counsel for Doctors Opposing Circumcision, a nonprofit physicians' organization based in Seattle. D.O.C.'s members and supporters oppose cultural, non-therapeutic genital cutting of children, male or female, on human rights and scientific grounds.
